

# LET YOUR VOICE BE HEARD!

Participate in the  
Rally for Medical  
Research Hill Day

September 13-14, 2023

Robust, sustained, and predictable annual funding increases for medical research are vital to the health of Americans and the United States' global leadership in research and innovation. The Rally for Medical Research unites millions of Americans across the country to call on our nation's policymakers to make life-saving medical research funding a national priority.

This unified call to action, which was launched in April 2013, continues to raise awareness about the critical need for an increased investment in the National Institutes of Health (NIH) to improve health, spur more progress, inspire more hope, and save more lives.

On September 14, 2023, join the Rally for Medical Research Hill Day, as a broad coalition of groups from the medical research advocacy community will virtually meet with House and Senate offices to urge Congress to make funding for the NIH a national priority.

## SCHEDULE OF EVENTS

### Wednesday, September 13

3:00 pm - 5:00 pm

#### **RALLY FOR MEDICAL RESEARCH TRAINING**

Washington Hilton Hotel, Washington DC
